* Indica uma pergunta obrigatória

1. Name of the person filling this form on behalf of the group: *

Institutions involved in the realization of this Workshop

IMARGENS

NUPEPA

2. Temporary project name (it is not the movie title, even though it might be). The name of the project will help us to identify the different responses of the same group. *

In the next answer boxes indicate the name of every member of the group, that is also a member of the workshop. Each group may have the help of people external to the workshop, but those names will be indicated further below. The group needs to have at least 3 participants and a maximum of 4.

There is no correct order to insert the names of the participants.

3. Please, point the number of the group according to the chart created in class.

In the answer boxes below, please detail aspects related to the composition of your group and the general view of your project.

The goal here is to promote the reflection about the different functions involved in audio-visual productions and to create a record of your group's information. This document is inspired in brazilian and portuguese models of EDITAIS and also have the goal to present examples of the gathering of information. You and your group might organize yourselves in this way or any others you consider appropriate. However, filling this document is necessary due to the practice of the pre production stage of audio-visual development.

Besides this one, you will receive specific forms to be filled about all the different functions of audio-visual productions.

4. Name of the group member (also a member of the workshop) 1 of 7. *

5. Name of the group member (also a member of the workshop) 2 of 7. *

6. Name of the group member (also a member of the workshop) 3 of 7. *

7. Name of the group member (also a member of the workshop) 4 of 7.

8. Name of the group member (also a member of the workshop) 5 of 7.

9. Name of the group member (also a member of the workshop) 6 of 7.

10. Name of the group member (also a member of the workshop) 7 of 7.

11. Names of the other participants (not enrolled in the workshop or that don't have enough frequency to obtain the certificate, but will be a part of the production and film credits). Please, use commas between names.

Inform one or more names that will perform each of the following functions in the production (at least 2 names to execute each function)

Consider the fact that all functions need to have at least 2 participants attributed to it (maximum 3) and that everybody needs to be in pre production, production and post production activities.

All participants need to be listed in at least one function of pre production. Consider fundamental to have someone acting as a backup in each function.

In the following answer boxes list only one name per answer

12. Scriptwriter [pre production] (1 of 3): *

13. Scriptwriter [pre production] (2 of 3): *
